Use of the Hairshirt

The hairshirt was adopted by most of the religious orders of the Middle Ages, in imitation of the early ascetics, and to increase the discomfort caused by its use it was sometimes even made of fine wire.

LAKE VILLA

Mrs. Nellie Wilton

Nellie M. Burnett was born at Lake Villa, Oct. 21, 1871, the only daughter of Mr. and Mrs. Jerome Burnett, both natives of Illinois. Early in life she moved to Antioch with her parents and was active in the M. E. church. On Feb. 22, 1897, she was united in marriage to Eugene A. Wilton and returned to Lake Villa where they established their home. Two sons were born to them, Oliver N. of Chicago and Edward J. of Lake Villa. She was a kind and loving mother,

always devoting her life to her family and the creation of a happy home atmosphere. She took great pride in her family and their affection for her. This happy home circle was broken seven years ago by the passing of Mr. Wilton. She has not been in good health for several years and for the last four months has been suffering from rheumatism. She took a great interest in various community enterprises and gave freely of that which she had. As a friend and neighbor she was ever ready to do a kindness and most loyal in support of the principles she deemed right and just. Unselfishness was the key

note of her lovely character.

Her death occurred on June 7, 1936.

Mrs. A. T. Kapple and Mrs. E. Barnstable were Waukegan visitors last Friday.

H. H. Perry who is employed in Elgin, spent Sunday with his family here.

E. K. Hart attended graduation exercises at Belvidere High School last Friday night.

Miss Eleanor Nixon was one of a large class to graduate and carried off many of the honors.

Miss Laura Reinebach of Chicago visited her brother, Carl Reinebach and family ever Sunday.

Mr. and Mrs. Rosenstock have moved into the Belle Richards house. Mr. Rosenstock is employed at the ice house recently leased from Mr. Rhodes, by the Antioch Fuel and Ice Co.

Captain and Mrs. E. L. Bradley who have been in Santa Barbara, Cal., for several months, came back to Antioch last Friday to spend the summer and are very happy to be here. They received a very hearty welcome from Allendale on their return.

L. G. Brickman was in Waukegan Monday on business connected with the creation of a fire district which would impose a very small tax for fire protection. The matter went through and an election will be held in August.

Mr. and Mrs. A. Jansen have vacated the Manzor flat and moved to McHenry where Mr. Jansen is employed. He has been gardener at the E. E. Lehmann estate for a number of years.
